

# Lomira Junior Camp Quad Technology

**QuadCare wants students participating in the Lomira Junior Camp Quad to experience a Summer filled with friends, adventures, and fun!**

## **Technology requirements**

Personal technology usage will be allowed ONLY on Fieldtrip Days during the travel time on the bus.

We feel being “unplugged” while at QuadCare will give the children more opportunities to join in on the fun activities planned for each day and to help build bonding friendships through those activities in turn providing an amazing Summer experience for your child!

## **Electronic Agreement**

Your child is welcome with your permission to bring their personal electronics to QuadCare on field trip days.

I do not hold QuadCare responsible for my child’s electronic devices.
